Ed Burman	Singapore Lacrosse Association (SLA)
Prantarit Nerngchamnong	Thailand Lacrosse Association (TLA)
Bijay Mipun	Lacrosse Association of India (LAI)
A. Lai	APLU Director
Fiona Clark	APLU Executive Director

3. ASPACS 2015

3.1.1. Change of Venue:

It was recognized that although concerns exist for the change in venues it was not considered appropriate to revisit those issue at this time as Payu had already advised the APLU of the TLA's back-up plan, and the APLU had granted the TLA hosting of this event with that understanding.

3.1.2. Political Unrest:

The political situation was the main concern of Members and the EB, and the meeting resolved to document these concerns and send them to the TLA for responses. It was also agreed that Members go back to their country to assess their own government's position as to the political situation in Thailand. Responses are to be made by 18 August 2014.

Countries were also asked to determine what would be the minimum time period to prepare for the next ASPACs should the APLU decide to structure a contingency plan.

4. China Lacrosse Association Development

A presentation was made by the CLAL on their development following ASPACs 2014 in Beijing. This was referred to the FIL Development Committee for further discussion with the APLU President and Vice President to be in attendance. Acknowledgment was made to Joyce Tai (HKLA) for acting as translator for China to the meeting.

End of Meeting.
