

OFFICIALS CODE OF CONDUCT AT APLU EVENTS

As an official in the sport of lacrosse, I have a unique and important role to play. My conduct can impact not only the play of an individual game but in promoting the respect and growth of the game itself. I accept the responsibilities of this role and will strive to fulfill them guided by this Code of Conduct:

1. I will represent the Asia Pacific Lacrosse Union (APLU) in a professional manner at all times. I will ensure that my behavior, both on and off the field adheres to the principles of professionalism and is in observance of all APLU policies and procedures or as further directed by the Referee in Chief or equivalent of an APLU endorsed event.
2. I will not use illegal and non-doctor prescribed prescription drugs while participating in any APLU championship, to include smoking or use of alcohol while wearing the APLU prescribed official's uniform.
3. I will make a personal commitment to keep myself informed of accepted officiating principles, which includes having a sound understanding of the rules of the game, their applications and current interpretations, including the mechanics in such documents as the World Lacrosse (WL) Men's and Women's Officiating Manuals.
4. To the best of my ability, I will enforce the rules of the game as codified in the current official WL rulebook and in such documents as the WL Men's and Women's Officiating Manual. I will do so by frequently studying the rulebook, officiating frequently, attending clinics/courses, taking the rules test and participating in other professional growth activities to upgrade my officiating skills.
5. I will ensure I maintain a level of fitness commensurate with the level of lacrosse at which I officiate. I agree to take the APLU prescribed fitness test if requested as a condition to officiating at an APLU endorsed event.
6. I will strive to be consistent, objective and under control in the administration of each contest in which I participate. I will be available for discussion with the captains and coaches at appropriate times during a contest, and in accordance with the rules of the sport and APLU policies.
7. I will help in the education of the sport. Officials can help players, coaches and spectators learn the sport by ensuring rule infractions are understood and appropriately penalized, thus encouraging fair play.
8. I will remain open to advancing my skills by participating in evaluation, discussion, and review with Officiating Coaches, Technical Directors, Assessors and my peers. I will listen to and respect differing points of view. I will strive for impartiality throughout the event and limit social interaction with any players, team personnel, or spectators.
